RE-TROSPECT
FW COLLECTION

A man with a beard and sunglasses stands in front of a classical building with statues. He is wearing a brown houndstooth blazer over a light-colored cardigan and dark trousers. The background features a large stone statue and a building with classical architectural details.

RETROSPECT — 25FW Collection

A journey to the past, with eyes set on the future.

Born from memories and shaped by possibilities, RETROSPECT is a collection that reimagines the timeless elegance of past decades through a contemporary lens.

From formal to casual, from vintage to visionary — each piece bridges who we were and who we are becoming.

More than garments, we craft stories.
Beyond trends, we design legacy.

RETROSPECT is made for those who know that style doesn't belong to time — it transcends it.
